

BABCOCK INNOVATION CHALLENGE (BIC 7.0)

2026 SPONSORSHIP AND PARTNERSHIP STUDENT PACKAGE

EXECUTIVE SUMMARY

BIC 7.0 isn't only powered by big brands. It is also powered by students, young founders, small businesses, creatives, and campus hustlers who believe in innovation and want to see fellow students grow.

The BIC 7.0 Student Sponsorship Package creates an affordable opportunity for students and student-led businesses to support the movement while gaining meaningful visibility within the Babcock University innovation community.

This package is designed for those who may not have the budget of a corporate sponsor but still want their name, brand, or business associated with an initiative that celebrates entrepreneurship, creativity, leadership, and innovation.

Why Sponsor as a Student?

Your contribution goes beyond financial support. It gives you an opportunity to:

- Put your brand on the map within the Babcock community.
- Gain visibility among fellow students, entrepreneurs, and potential customers.
- Connect and network with other young founders and business owners.
- Support and empower student innovation.
- Position yourself as a student who believes in building other students.
- Receive recognition as a BIC 7.0 Student Backer.
- Create opportunities for collaborations, partnerships, and future customers.

COMPETITION FLOW

Stage 1 – Application Phase (Online)

- Registration opens.

- Applicants submit required documents: application form, pitch deck, video pitch, and other supporting materials.
- Judges evaluate all applications using the approved scoring criteria.
- The Top 10 startups advance to the Semi-Finals.

Stage 2 – Semi-finals (Virtual)

- The Top 10 startups pitch their businesses virtually before the judges.
- Each team presents its business and participates in a Q&A session.
- Judges score the presentations.
- The Top 5 startups advance to the Grand Finale.

Stage 3 - Grand finale (Physical)

- The Top 5 finalists pitch live before the judging panel and audience.
- Judges assess the final pitches and deliberate.
- Winners are announced, and grants and prizes are presented.

SPONSORSHIP PACKAGE

PLATINUM PARTNER: ₦50,000

For the student entrepreneur ready to build visibility, gain credibility, and put their brand in the room, this package offers a unique opportunity to experience BIC from the perspective of a serious supporter and young business leader.

1. Branded Mini-Booth/Display Table at the Grand Finale to showcase your own product or service directly to attendees.
2. Name & logo on the student innovators wall at the venue, giving your brand visible recognition as a BIC 7.0 backer.
3. Dedicated social media brand mention on BUSEC social media platforms.
4. Exclusive Networking Access by connecting with fellow student founders, entrepreneurs, mentors, judges, and potential customers at the event.
5. Guaranteed Speaking Slot During a Networking Break to introduce yourself and pitch your business to the room.
6. Receive an official BUSEC Certificate of Support recognizing your contribution to BIC 7.0.
7. Event-day brand content through professional photos/videos of your brand presence at BIC 7.0 for use on your social media and business platforms.

8. Official “BIC 7.0 Student Backer” Recognition through public recognition as one of the students who supported and invested in the BIC 7.0 movement.

GOLD PARTNER: ₦30,000

Designed for student entrepreneurs, small businesses, creatives, and campus brands who want to support BIC 7.0 while getting meaningful visibility among the Babcock innovation community.

1. Your business will receive a dedicated mention on BUSEC’s Instagram/TikTok Stories during BIC 7.0 event week.
2. Receive an official BUSEC Certificate of Support recognizing your contribution to BIC 7.0.
3. Your business will be acknowledged during a designated sponsor recognition segment at the Grand Finale.
4. Showcase your products, services, flyers, or business materials at a shared exhibition table during the Grand Finale.
5. Opportunity to connect with other student entrepreneurs, creatives, business owners, and members of the Babcock innovation community during the event.
6. Receive early notifications for selected BUSEC entrepreneurship opportunities, competitions, workshops, and calls for participation.

SILVER PARTNER: ₦20,000

For the student entrepreneurs, emerging founder, creative, or campus business owner who wants to support BIC 7.0, gain visibility, and become part of the BUSEC entrepreneurial community.

1. Your business name will appear on the official sponsor/supporter slides during the Grand Finale.
2. Receive an official BUSEC Certificate of Support recognizing your contribution to BIC 7.0.
3. Get a brief opportunity to introduce yourself and your business during a designated networking moment.
4. One branded story featuring your business during BIC 7.0 week
5. Receive early notifications for selected BUSEC entrepreneurship opportunities, competitions, workshops, and calls for participation.

We would be delighted to further discuss this opportunity and explore the most suitable form of sponsorship or collaboration your brand is willing to come in as.

Our team is fully available to engage virtually or meet physically at your convenience to provide more clarity and align on expectations.

Thank you for considering this partnership. We are confident that a collaboration with BUSEC will create lasting value for students while strengthening your footprint among Nigeria's next generation of innovators.
