BUSEC 2026 SPONSORSHIP AND PARTNERSHIP PACKAGE BABCOCK INNOVATION CHALLENGE (BIC 7.0)

EXECUTIVE SUMMARY

The Babcock University Students' Entrepreneurship Club (BUSEC) is a high-impact, execution-driven initiative committed to building a culture of innovation, enterprise, and practical business leadership within Babcock University. As one of the most active student organizations on campus, BUSEC has built a reputation not merely for conversations about entrepreneurship, but for measurable execution and real results.

With a student population of over 15,000+ students, Babcock University provides a vibrant, concentrated youth market and an ecosystem of emerging leaders, innovators, and decision-makers. This scale offers sponsors unmatched access to a premium, educated demographic within a structured academic environment.

The Babcock Innovation Challenge (BIC) 7.0 is BUSEC's flagship startup competition, designed to identify, mentor, and reward the most promising student-led ventures at Babcock University through a rigorous, three-stage evaluation process from open application through virtual semi-finals to a live grand finale.

Importantly, the event will receive institutional backing at the highest level, with mentors and speakers in attendance to demonstrate leadership support to enterprise development, innovation, and strategic partnerships.

BIC TRACK RECORDS

- 6 editions of BIC successfully executed.
- 100+ startup applications received across all editions.
- 50+ student founders mentored through the semi-final and final stages.
- ₦2,250,000 in cumulative grants and prizes awarded to winning teams.
- Notable alumni ventures.
- Coverage and promotion across BUSEC's digital network reaching 15,000+ students and staff.

COMPETITION FLOW

Stage 1 – Application Phase (Online)

- Registration opens.
- Applicants submit required documents: application form, pitch deck, video pitch, and other supporting materials.
- Judges evaluate all applications using the approved scoring criteria.
- The Top 10 startups advance to the Semi-Finals.

Stage 2 – Semi-finals (Virtual)

- The Top 10 startups pitch their businesses virtually before the judges.
- Each team presents its business and participates in a Q&A session.
- Judges score the presentations.
- The Top 5 startups advance to the Grand Finale.

Stage 3 - Grand finale (Physical)

- The Top 5 finalists pitch live before the judging panel and audience.
- Judges assess the final pitches and deliberate.
- Winners are announced, and grants and prizes are presented.

BRONZE PARTNER: ₦250,000

As a Bronze sponsor, your brand receives meaningful visibility and grassroots engagement with Babcock's student innovation community at an accessible entry point.

BENEFITS:

1. Recognized as a Supporting Sponsor of Babcock Innovation Challenge 7.0.
2. Logo included on the sponsors' wall/roll-up banner at the Grand Finale.
3. 1 dedicated social media mention.
4. 1 complimentary event pass to the Grand Finale.
5. Brand acknowledgement during opening/closing remarks.
6. Opportunity to place branded flyers or merchandise at the registration desk.

We would be delighted to further discuss this opportunity and explore the most suitable form of sponsorship or collaboration your brand is willing to come in as.

Our team is fully available to engage virtually or meet physically at your convenience to provide more clarity and align on expectations.

Thank you for considering this partnership. We are confident that a collaboration with BUSEC will create lasting value for students while strengthening your footprint among Nigeria's next generation of innovators.

Yours faithfully,

Seyifunmi Sodolamu,
Executive President, BUSEC.
